

MacArthur Elementary School, Tulsa, OK, 2023. (Created on stipend from Tulsa Artist Fellowship of \$20,00), Oil, 4 ft x 6 ft

MacArthur Elementary School, Tulsa, OK, 2023, (Created on stipend from Tulsa Artist Fellowship of \$20,00), Oil, 3 ft x 5 ft

Phoenix Rising High School Tulsa, OK, 2023, (Created on stipend from Tulsa Artist Fellowship of \$20,00), Oil, 4 ft x 6 ft

Central High School, Tulsa, OK, 2023, (Created on stipend from Tulsa Artist Fellowship of \$20,00), Oil, 3 ft x 3 ft

**"Dragon Heart", Central High School, Tulsa, OK, 2023, (Created on stipend from Tulsa Artist Fellowship of \$20,00), Oil, 3 ft x 3 ft**  
Fire blazes from the energy of this dancer.

Part of a series for the Central High School Dance Studio, in Tulsa, Oklahoma, to encourage students to dive into the world of stories and reading.

**"Planet Perseverance", Central High School, Tulsa, OK, 2023, (Created on stipend from Tulsa Artist Fellowship of \$20,00), Oil, 3 ft x 3 ft**

This cadet continuously dodges laser beams from approaching spaceships.  
Persevering against destruction from all angles.

Part of a series for the Central High School Dance Studio, in Tulsa, Oklahoma, to encourage students to dive into the world of stories and reading.

**"Spring Flight", Central High School, Tulsa, OK, 2023, (Created on stipend from Tulsa Artist Fellowship of \$20,00), Oil, 3 ft x 3 ft**

A fairy influences nature with positive magic by releasing butterflies into the air while soaring with a dragon.

Part of a series for the Central High School Dance, in Tulsa, Oklahoma, to encourage students to dive into the world of stories and reading.

**"A New Narnia", France, 2021, (Created on stipend of \$10,00), Oil and Acrylic, 5 ft x 5 ft**

I created murals with students from the Lycée Paul Lapie. This work is inspired by the books "The Chronicles of Narnia". Students helped paint the mural's borders.

Sky High. Elkins Park School Library, PA, USA, 2020. (\$1,000 budget) Oil. 4 x 4 feet.  
Mural for the Elkins Park School Library to celebrate reading. This mural is inspired by the wonderful world of Harry Potter. In this mural I show a student from Elkins Park School magically levitating the pages of a book.

Environmental Education, Saint Joseph's University, 2022, (\$3,500 budget) 10' x 10' feet, Acrylic on panel

Mural for the Post Learning Commons Building Library at Saint Joseph's University, celebrating learning and appreciation of the environment.

**Ride the Sky (Left wall), North 17th Street & John F Kennedy Boulevard, Philadelphia, PA, 2020, (\$2,000 budget), Oil and Digital Print, 15 x 30 feet**

My mural for the SEPTA Suburban Station celebrates the joy of riding the train. People ride the steam clouds of an old Baldwin train from the Pennsylvania Railroad.

**Ride the Sky (Right wall), North 17th Street & John F Kennedy Boulevard, Philadelphia, PA, 2020, (\$2,000 budget), Oil and Digital Print, 15 x 30 feet**

My mural for the SEPTA Suburban Station celebrates the joy of riding the train. People ride the steam clouds of an old Baldwin train from the Pennsylvania Railroad.

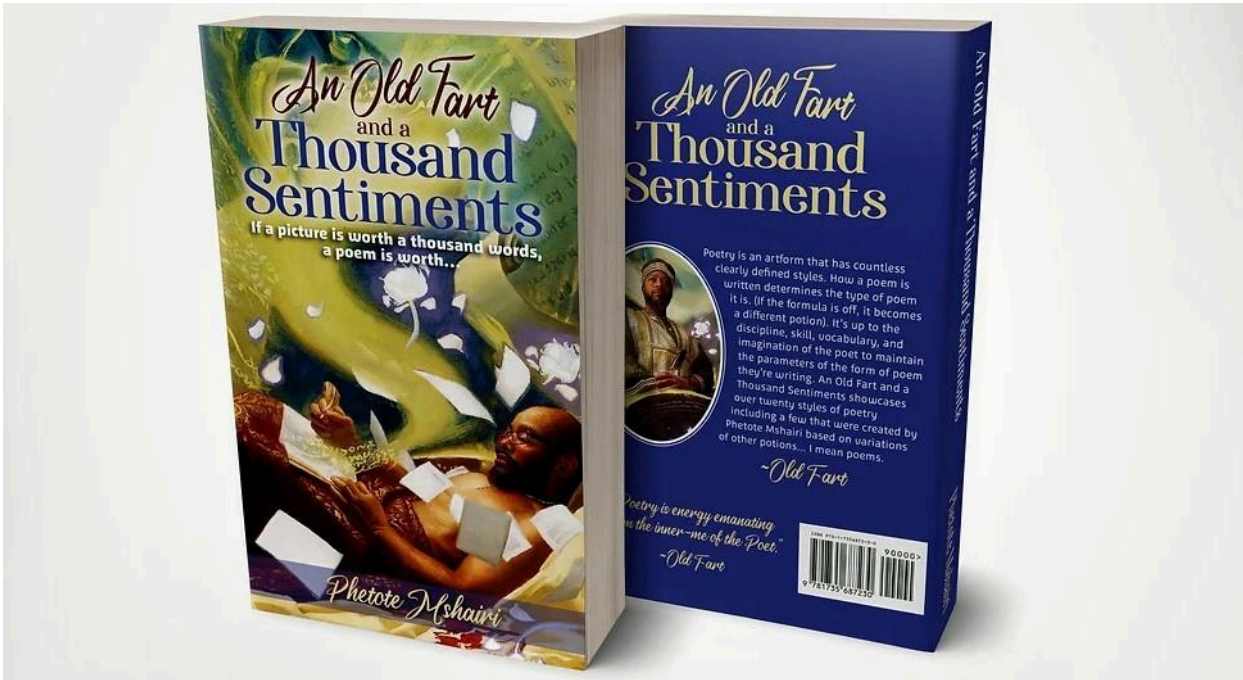

**Ride the Sky Design (Left wall), North 17th Street & John F Kennedy Boulevard, Philadelphia, PA, 2020, (\$2,000 budget), Oil and Digital Print, 15 x 30 feet**

My mural for the SEPTA Suburban Station celebrates the joy of riding the train. People ride the steam clouds of an old Baldwin train from the Pennsylvania Railroad. The characters and parts of the train were painted and then scanned. The background, clouds and parts of the train were added digitally.
